Subject: Extending State Accreditation – Holy Cross College Teacher Preparation Program

The Holy Cross College Teacher Preparation Program has successfully completed Phase I of the Council for the Accreditation of Educator Preparation (CAEP) application process. During Phase II of the application process, CAEP staff will determine if the program is prepared for CAEP applicant status and will schedule an onsite review to occur within three years.

*SBOE action needed:* To prevent a lapse in state recognition status and as provided in 511 IAC 13-1-1, IDOE requests the Indiana State Board of Education approve continued state accreditation for the Holy Cross College Teacher Preparation Program through fall 2022.
